PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on October 29, and November 10, 2021.

The probation officer believes that the offender has violated the following condition of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

9

Special Condition #3: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Woodward is alleged being in violation of his supervised released conditions by failing to report to Merit Resource Services (Merit) for random drug testing on November 12, 2021.

On October 1, 2021, supervised release conditions were reviewed and signed by Mr. Woodward acknowledging his understanding of special condition number 3, as noted above.

On November 10, 2021, Mr. Woodward's color was called for the Merit random drug testing color line program. Mr. Woodward is subject to three random drug tests per month. Mr. Woodward failed to show or make contact with Merit for his drug test on November 10,
